❄️ 48 Hours

A 91% recycled stainless steel inner liner paired with recycled plastic lid, handle, and straw components.

Lunch Bags & Boxes

Elevate the everyday lunch break with insulated bags and organized bento boxes that keep meals fresh, flavors intact, and recipients thinking of your brand at noon — every single day.

LEARN MORE

Bento

Stainless Steel/PP Lunch Box With Utensils

WKA-BE26

The removable stainless steel inner tray keeps meals separated and makes reheating simple — just lift it out before microwaving.

A thoughtfully designed bento-style lunch box with a stainless steel inner tray, double-layer compartments, and a built-in reusable spoon and fork — everything recipients need for a better lunch break, all in one compact gift.

NAYAD®

NKA-EL26

NAYAD® Ellis

Lunch Box

- A 3-compartment design made from food-grade polypropylene keeps meals, sides, and snacks neatly organized and completely separated.
- Four-buckle closures with individual gaskets create a leak-resistant seal on each compartment, so nothing spills or mixes in transit.
- Shatter-, stain-, and odor-resistant construction paired with microwave-safe material makes this lunch box easy to maintain.

Americana

RPET 2-Compartment Lunch Cooler Bag

WBA-AM26

PEVA-lined insulation keeps food and drinks hot or cold for up to 4-6 hours

Made from RPET 600D polyester with recycled ripstop accents, this lunch bag gives plastic bottles a second life without sacrificing durability.

A sustainable, dual-compartment lunch cooler that holds up to 9 cans plus a lunch container, keeping food and drinks organized and at the right temperature — from the office to the outdoors.

WBA-VL26

Veranda

Quilted Nylon Lunch Bag

- A quilted exterior crafted from water-resistant 20D nylon with a polyurethane coating gives this lunch bag a soft, on-trend look that holds up to everyday use.
- A velvet polyester interior lining adds an extra layer of insulation while giving the bag a premium, elevated feel inside and out.
- Dual padded carry handles and a compact structured silhouette make this bag comfortable to grab and go, without any unnecessary bulk.

Sundial

Non-Woven Lunch Cooler Bag

WBA-SU26

Foil-laminated PE foam insulation keeps food and beverages cold, while reinforced 22" handles and a zippered top closure make transporting a full load effortless.

A lightweight, water-resistant cooler tote that holds up to 40 cans — perfect for picnics, tailgates, events, and any occasion where keeping things cold is part of the plan.

LEARN MORE

Premium & Travel Bags

Premium bags make an exceptional gift choice for employee rewards, client appreciation, and milestone recognition programs. Practical enough to use daily, refined enough to make a lasting impression — every recipient knows they were thought of well.

TECHLOG
Technology Simplified

Dash

Sport Leisure Bag

ALB-DS26

Interior zip pocket keeps
phones, wallets, and
valuables secure

A sport-meets-style bag with a smart zippered bottom compartment to keep gear separated, plus breathable side pockets and secure storage — built for the gym, travel, or wherever the day takes you.

Chateau

Leatherette Backpack

WBA-CB26

A refined leatherette backpack that brings retail-inspired style to everyday carry, with a padded laptop sleeve, smart organization, and water-resistant durability built for work, travel, or campus life.

Overnighter

Foldable Travel Duffel

WBA-OV26

Folds up into
attached pouch
and integrated
Roll-aboard
strap to attach
to luggage!

A spacious, foldable duffel that's ready for any trip — packs flat for easy storage, expands for a weekend's worth of gear, and slips right onto your rolling luggage for effortless travel.

AeroLOFT
TRAVEL MADE BETTER

ALB-CB26

Clear View

Crossbody Belt Bag

- A stadium-approved clear TPU body allows for fast, hassle-free security checks at events, concerts, and venues.
- An adjustable belt strap with an easy-snap buckle extends up to 44", making it a comfortable, hands-free carry for any body type or wearing style.
- A compact 1.2L zippered main compartment holds the everyday essentials — phone, wallet, keys, and more.

AeroLOFT
TRAVEL MADE BETTER

Clear View

2 pc Travel Toiletry Bags

ALB-TT26

The durable clear TPU construction lets you see exactly what's inside without unpacking, while the water-resistant material protects contents from spills and moisture on the go.

A travel-ready duo featuring two water-resistant, clear TPU toiletry bags that make packing a breeze — everything is visible at a glance, secure under zip, and ready for security checks without the scramble.

AeroLOFT
TRAVEL MADE BETTER

Motion

Crossbody Sling Bag

ALB-MO25

Interior zippered pockets include dual slip pockets and a compartment to organize!

A sleek, water-repellent crossbody sling bag with a versatile front-or-back wear design, smart interior organization, and a minimalist sport style that works just as well on the commute as it does on the trail.

Crossbody

Companion Bag

ALB-CC26

Quick-access snap pocket on the outside, organized zip and slip pockets inside

A compact, urban-styled crossbody with multiple zippered compartments, a contrast-lined interior, and an adjustable strap — organized, hands-free carry that works from the daily commute to weekend travel.

WBA-CT26

Catalina

Multi-Pocket Crossbody Bag

- A water-resistant composite nylon exterior keeps contents protected and wipes clean with ease, making it a practical gift that holds up to everyday use.
- A magnetic-snap front pocket and zippered front pocket put the most-reached-for essentials right at your fingertips.
- A spacious main zip compartment with full lining and an adjustable shoulder strap round out a bag that's as organized as it is versatile.

Posse

Leatherette Crossbody Bag

WBA-PS26

Soft PU leather construction gives this compact crossbody a retail-quality look and feel that recipients will reach for every day.

A sleek, minimalist leatherette crossbody bag with a smooth, premium feel and an adjustable strap — the kind of everyday gift that effortlessly takes recipients from the office to the weekend and everywhere in between.

A close-up of a person's hand holding a white, handheld, foldable fan. The fan has a circular grille at the top and a handle with the brand name 'Transfer Titles' printed on it. The background shows a group of people in a sunny outdoor setting, some holding drinks, suggesting a social gathering or event.

[»» LEARN MORE](#)

Fans

Pack the perfect companion for any trip with a versatile folding fan that easily converts from a handheld device to a convenient desk accessory.

The built-in refrigeration plate activates in just 10 seconds, delivering an instant burst of cool air that goes well beyond what a standard fan can offer.

Three adjustable speed settings let recipients customize their comfort level whether they're at a desk, outdoors, or on the go.

WTV-FR26

Frosty Handheld Fan with Ice Cooling Plate

A compact, rechargeable handheld fan with a built-in ice cooling plate that delivers real refrigerated relief.

The built-in loop doubles as a hands-free stand or clips onto a backpack, belt, lanyard, and more — so recipients always have it within reach.

 2 Hours
 6 Hours

⚡ 2 Hours
🕒 4 Hours

WTV-PU26

Purl

High Speed Rotatable Handheld Fan With Clip

- An ultra-powerful 10,000 RPM brushless motor with 5 adjustable speed levels delivers serious airflow.
- The articulating fan head tilts 90° forward and backward and rotates 90° left and right, putting airflow exactly where it's needed — handheld, clipped on, or worn on the included lanyard.
- An LCD display shows speed level and remaining battery life at a glance, while the rechargeable battery provides up to 4 hours of use.

Swirl

Portable Battery-Operated Fan

WTV-SW26

No charging required — use the two AA batteries included and enjoy instant 7000 RPM airflow at the push of a button.

A simple, reliable handheld fan that runs on AA batteries and delivers instant high-speed airflow anywhere — a practical, grab-and-go gift that keeps recipients cool all season long.

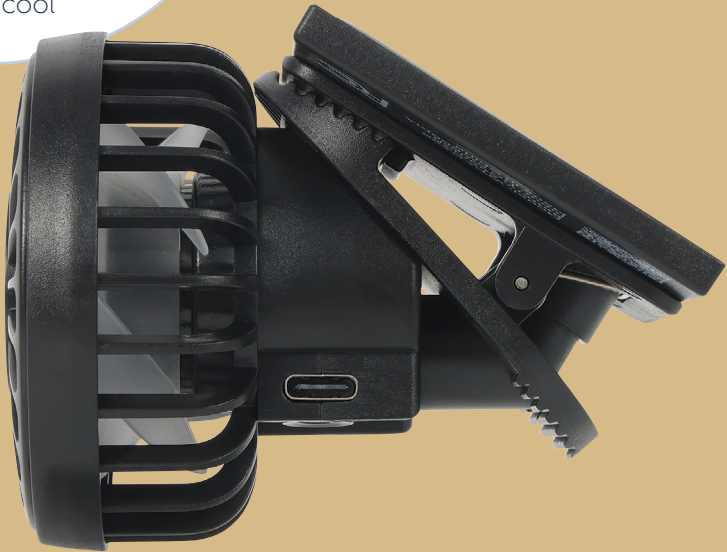

Cool Aid

Solar-Powered Portable Fan With Clip

WTV-CA26

Built-in solar panel charges the battery on the go, and up to 4 hours of runtime for all-day cool

A compact, eco-friendly solar-powered fan with a built-in clip and keyring loop that clips to a hat, bag, or belt for hands-free cooling anywhere the sun shines — no outlet required.

Cool Clip

Rechargeable Portable Fan with Magnet Base

WTV-CC26

The built-in magnetic base snaps to MagSafe®-compatible iPhones or any steel surface for instant hands-free cooling.

 1.5 Hours

 2.2 Hours

A versatile rechargeable fan with a flexible adjustable tube, magnetic base for MagSafe® iPhones and steel surfaces, and a clip for on-the-go use — personal cooling that works wherever the recipient needs it most.

Twisty

Rechargeable Portable Fan with
Bendable Tripod Feet

WTV-TW26

Bendable tripod feet wrap and grip
almost any surface for instant hands-
free setup — no clamp, no fuss.

 1.5 Hours

 8 Hours

A rechargeable portable fan with flexible bendable tripod feet, 3 speed settings, and 360-degree rotation — wrap it around a stroller, chair, rail, or desk for hands-free cooling anywhere the day takes you.

EAC-CO26

All in-one universal travel adapter compatible with power outlets in 150+ countries and regions.

A compact 35W universal travel adapter compatible with outlets in 150+ countries, four charging ports, and a zippered hard-shell case — the ultimate gift for any recipient who travels for work or adventure.

EPB-AR26

Array

15000mAh 20W Magnetic Wireless Power Bank with Solar Panel, Watch Charger & Retractable Cable

- Magnetic wireless charging pads for both a phone and Apple Watch charge two devices at once — no cables, no searching for ports.
- A built-in solar panel and retractable USB-C cable mean recipients can top off their charge just about anywhere, even off the grid.

Noble

10000mAh 20W PD Power Bank with 15W Magnetic Wireless Charger

EPB-NO26

A slim, pocket-friendly 10000mAh power bank with 15W magnetic wireless charging and 20W PD fast charging — a practical, cord-free gift that keeps recipients powered up wherever the day takes them.

Diplomat

10000mAh 20W PD Power Bank
with 15W Wireless Charger,
Watch Charger & Stand

EPB-DP26

A premium all-in-one power bank that wirelessly charges a phone, Apple Watch, and earbuds simultaneously — with a foldable stand, 20W PD wired charging, and a digital battery display for total desk and travel readiness.

Built-in wireless charging areas
power your phone, earbuds, and
Apple Watch all at once —
no cables, no juggling.

The adjustable stand and charging arms fold flat
into the main unit for easy, compact packing —
then flip out whenever you're ready to charge.

The USB-C port delivers up to 20W PD
fast charging for compatible devices
when wired speed is what you need.

Bolt

4-in-1 39" Bamboo and RPET 100W
Charging & Data Cable

EAC-BO26

The USB-C connector tucks neatly under the Micro USB topper, giving recipients two connectors in one compact design without the extra bulk.

A 4-in-1 eco-friendly charging cable with FSC® certified bamboo accents and an RPET braided cord that delivers up to 100W fast charging and 480 Mbps data transfer.

Vector

4-in-1 60W PD 39" MagSnap Charging Cable

EAC-VR26

Built with magnetic material throughout, the cable folds and organizes itself in seconds and sticks to any metal surface — no more tangled cords in bags or on desks.

A 4-in-1 magnetic charging cable that supports USB-C, USB-A, Lightning, and 60W PD fast charging — and snaps to any metal surface for tangle-free, always-organized storage.

EAC-TR26

Triumph

3-in-1 Charging Cable with 4-Port USB Hub and Recycled Casing

- Integrated hub expands one USB-C or USB-A port into four outputs, including two USB-C and two USB-A ports.
- Charges up to three devices simultaneously with 5V/2A output per tip for reliable, efficient power.
- Extra-long cable length offers flexibility.

EAC-MA26

Mach

4-in-1 100W PD 39" Retractable Charging Cable

- A retractable 4-in-1 design keeps USB-C, USB-A, and Lightning tips neatly coiled inside a compact case — no tangles, no loose cables to hunt for in a bag.
- USB-C to USB-C charging reaches up to 100W PD for fast, powerful charging of smartphones, tablets, and compatible laptops.
- The compact portable case fits easily on a desk, in a pocket, or in a travel kit, making it a practical everyday gift recipients will actually reach for.

Hex

6-in-1 Light-Up Charging Cable with Carabiner Clip and Recycled Casing

EAC-HX26

A 6-in-1 eco-friendly charging cable with a light-up logo, carabiner clip, and recycled casing that charges up to three devices at once — a compact, gift that clips onto a bag or keyring.

EPB-ES25

Esprit

2000mAh UL Listed Power Bank with Built-In Cables

- Integrated hub expands one USB-C or USB-A port into four outputs, including two USB-C and two USB-A ports.
- Charges up to three devices simultaneously with 5V/2A output per tip for reliable, efficient power.
- Extra-long cable length offers flexibility.

Ultimate

20000mAh 100W PD Power Bank with Retractable Charging Cable

EPB-UL26

Four ports charge up to four devices at once — with 100W USB-C PD for laptops and dual USB-A ports for phones, earbuds, and more.

A high-capacity 20,000mAh power bank with 100W PD fast charging, a built-in retractable USB-C cable, and four simultaneous charging ports — the ultimate gift for professionals who need to stay charged.
